Annual Report

July 1, 2022–June 30, 2023

Dear friends of All May See Foundation,

After a two-year wait to celebrate the 50th anniversary of All May See, and pay tribute to the contributions of Stephen D. McLeod, MD, Chair Emeritus, UCSF Department of Ophthalmology, and Kathleen Rydar, President Emerita, All May See, the event took place on Thursday, December 1, 2022, at the Chase Center. Over 150 distinguished guests including University of California and UCSF leadership, faculty, staff, donors, board members and friends gathered for a gala which culminated in a live concert featuring Italian tenor Andrea Bocelli. We raised \$230,000 for faculty vision research.

Once again UCSF Ophthalmology ranked among the top 10 vision care centers in the nation and Best in Northern California by *US News and World Report 2023-24 Best Hospitals Survey*. The Department offers both routine vision care and evaluation and treatment for a wide range of eye diseases, from common conditions to the most rare and complex. On December 1, 2022, Jacque Duncan, MD was named Chair of the Department of Ophthalmology, replacing Stephen D. McLeod, MD who became the Chief Executive Officer of the American Academy of Ophthalmology.

All May See Foundation awarded \$1.7 million in faculty and other awards to the UCSF Department of Ophthalmology and Francis I. Proctor Foundation.

With the help of many loyal and generous donors, All May See staff raised \$2.24 million to establish three new endowments: Stephen D. McLeod, MD Endowed Chair in Ophthalmology; Stephen D. McLeod, MD Leadership Lecture in Ophthalmology; and the Harry William Hind Professorship.

Deborah Chesky, All May See President and Rick Seefeldt, Director of Koret Eye Institute and UCSF Ophthalmology Faculty Practices, both had the honor of presenting at the esteemed World Association of Eye Hospitals — a global association where all member facilities are recognized as centers of excellence in ophthalmology.

It was a very exciting year— look for updates in *Vision* magazine and on our website at www.allmaysee.org. Thanks to you, our loyal donors, for your support of All May See. This work could not happen without you!

With gratitude,

John F. de Benedetti
Chair, Board of Directors
All May See Foundation

From the President of All May See

Change Summarizes this Past Year

We want to take a moment to express our deep appreciation for your unwavering support over the past year. Your contributions have played a pivotal role in our achievements, and we are truly grateful.

Looking ahead to the next fifty years, we have embraced a new identity, rebranding ourselves as the All May See Foundation. Alongside this transformation, we proudly launched our redesigned website, which you can explore at allmaysee.org.

In January 2022, we underwent a leadership transition with the departure of Stephen D. McLeod, MD, from his role as UCSF Ophthalmology Chair. Dr. Jacque Duncan, MD, stepped in as the interim chair, ultimately assuming the position of Chair of the Department in December 2022.

On December 1, 2022, we celebrated a remarkable milestone — our 50th Anniversary. The event was attended by 150 distinguished guests and featured an honorary dinner where we paid tribute to Dr. McLeod and Kathleen Rydar, President Emerita of All May See. The festivities continued with a captivating Andrea Bocelli concert at San Francisco's Chase Center.

This year brought changes to our board of directors as we welcomed new faces and bid farewell to those who had completed their terms. We were also pleased to welcome a new staff member, Roya Afsharzada, MBA, who assumed the role of Finance and Faculty Awards Manager.

Once again, we want to extend our heartfelt gratitude for your steadfast support and your integral role within our All May See family. Your dedication has been instrumental in our success. 🙏

With my warmest personal regards,

Deborah J. Chesky
