Dear friends of the All May See Foundation,

As we reflect on the past year, we're proud of our achievements in advancing vision research, education, and patient care. Your support has been crucial to our mission.

Celebrating milestones and leadership

In June 2024, the UCSF Department of Ophthalmology hosted the inaugural Dr. Stephen McLeod Endowed Leadership Lecture in Ophthalmology featuring University of California President and Ophthalmologist, Michael V. Drake, MD. This lectureship, endowed by Dr. David and Victoria Chang, honors Dr. McLeod's leadership as UCSF Chair of Ophthalmology from 2005 to 2022.

In October 2023, we hosted the American Academy of Ophthalmology (AAO) Reception at the Wayne and Gladys Valley Center for Vision and celebrated Dr. Robert L. Stamper's retirement after 26 years at UCSF and 52 years in practice. We raised nearly \$250,000 for the Robert L. Stamper, MD, Endowed Lectureship in Glaucoma.

Advancing excellence in ophthalmology

Once again, Ophthalmology at UCSF was named the Best in Northern California and one of the high performing vision care programs in the nation in the 2023-2024 *U.S. News & World Report* Best Hospitals Survey. With Dr. Jacque Duncan's leadership, we continue providing exceptional care for various eye diseases.

Supporting research and education

In FY 2024, we awarded nearly \$4 million to the UCSF Department of Ophthalmology and Francis I. Proctor Foundation. We also raised \$2.5 million for four new endowments: the Stephen D. McLeod, MD, Endowed Chair in Ophthalmology, Dr. Stephen McLeod Endowed Leadership Lecture in Ophthalmology, the Harry William Hind Professorship, and the Robert L. Stamper, MD, Endowed Lectureship in Glaucoma.

These endowments will ensure sustained excellence in ophthalmology. Your generosity has made these achievements possible. For updates and to look for upcoming *Vision* magazine issues, visit www.allmaysee.org. Thank you for your continued support and partnership.

With gratitude,

John F. de Benedetti
Chair, Board of Directors
All May See Foundation

In Gratitude for Generous Gifts

Thank you for generous gifts and new pledges for the UCSF Department of Ophthalmology and Francis I. Proctor Foundation made during fiscal year, July 1, 2023 to June 30, 2024. Gifts at every level make a huge difference.

From the President of All May See

Dear friends of the All May See Foundation,

Thank you for your generous support of the UCSF Department of Ophthalmology and Francis I. Proctor Foundation.

My tenure as President of the All May See Foundation began on March 16, 2020, coinciding with Governor Newsom's shelter-in-place order. Having relocated from Upstate New York two days prior to beginning my role, the sudden shift initially prevented me from meeting our donors and engaging with the community as planned. Despite these challenges, I have since established strong and effective relationships with our faculty, donors, and others, and have become deeply involved in our community across the Bay Area and with ophthalmology colleagues nationwide.

I am privileged to serve on the San Francisco Chief's Community Police Advisory Forum, a group of civilian volunteers who help identify local issues and provide the Department with potential solutions.

Additionally, I was elected secretary of the board of directors for the Association of Ophthalmology Development Officers. In this role, I help plan our annual conferences that align with the American Association of Ophthalmology conference, an essential event for university vision center development professionals, some of whom are from the All May See staff.

I also participate in the invite-only annual convening of the Research to Prevent Blindness Vision Research Funding Partnership. This event gathers leaders from government, non-profit, and for-profit sectors who fund and are active in vision research. Together, we discuss opportunities, challenges, and timely topics in the vision research funding landscape.

It is exhilarating to discover what inspires our donors to support our mission and to deepen my understanding of both the philanthropic landscape and the broader San Francisco community.

With warmest personal regards,

Deborah J. Chesky, LMSW, MBA, CFRE
